Date			

1. Involvement with personal injury work

I confirm that:	Initials
<ul style="list-style-type: none"> • the candidate continues to be engaged in fatal accidents work, which is predominantly for the claimant 	

4. Professional development to enhance knowledge and skills

The following are regarded as behaviours demonstrating effective professional development and self-awareness:

- You are active in keeping up to date with developments in fatal accident law, through reading journals and participation in conferences and training, and you are always willing to share your expertise with colleagues.
- You play an active part in related charities or groups, as a means of maintaining professional contacts in the field, and of contributing to the work of such organisations.

I confirm that:	Initials
<ul style="list-style-type: none">the candidate continues to display the above behaviours.	

8. File review

I confirm that:	Initials
<ul style="list-style-type: none">I have reviewed a sample of the fatal accidents files of the candidate and I have found the advice offered to clients to be adequate and appropriate.	

CONCLUSION

I have conducted a face-to-face appraisal with the candidate and I have reviewed with him/her the quality of their professional work in fatal accidents, as evidenced by the files for which he/she has been responsible over the past five years, and feedback on these; and his/her participation in continuing professional development.

In the light of this review:

EITHER*

	Signed	Date
I recommend that the candidate be revalidated by APIL as an Accredited Fatal Accidents Specialist		

OR*

I cannot recommend revalidation because:	Signed	Date
<ul style="list-style-type: none">• My review of the candidate's fatal accidents files discloses inadequate or inappropriate advice to clients, anonymised details of which are given on the attached sheet.		
<ul style="list-style-type: none">• I am not satisfied that those of the behaviours above, which I have <u>not</u> initialled, are adequately displayed in relation to the candidate's fatal accidents work, for the reasons given on the attached sheet.		
<ul style="list-style-type: none">• The candidate no longer undertakes a sufficient amount of fatal accidents work to provide evidence of effective deployment of the behaviours above.
